Becoming An Elder Has Changed Her Life!

I was nominated to the Board of Elders, and since then my life has never been the same. I have grown from a weak, feeble, afraid Christian into a growing overcomer. I have been following your teaching on "How to Win the Battle for Your Mind." I have also read the Financial Breakthrough Spiritual Warfare Bible, which is a real eye-opener and is delivering me from many of my problems as I am growing spiritually. I praise God for you, Papa and Mama Cerullo, for obeying God and raising up His people into God's victorious army.

Eldership Brings Provision and a Hunger for More of God

I rejoice in God for all His blessings! I am an elder in your ministry. A few months ago I was in an accident with my 2012 van. The van was totaled, but God gave me a new one! Right now, I'm waiting for your Pentecost program to come on – I do not want to miss it! I have been with your ministry since 1995, and have learned so much and am still learning. Recently, I planted a seed of \$1,100 in your ministry, and it was the largest seed I ever planted! I love you and Mama Theresa and your mighty ministry in the Earth. Thank God for a prophet after God's own being!
